Greenery wanted

The flower arrangement team has 2 weddings coming up and need some help with greenery. Does anyone have a eucalyptus tree? Any overgrown shrubs needing a trim? Please call Caroline on 07758 252004 or leave a message with Cath. Thank you.

Knitted Remembrance Poppies

I would like to decorate the altar of St George and war memorial with knitted red poppies for Remembrance this year. Do you knit? Would you be interested in having a go and in helping? We have patterns if you need them – you will find them at the back of church. These would then go onto a netting and look very effective for our Act of Remembrance. Please let Fr Neil or Cath know if you might be happy to help.

Good Cause for September - Challengers

Challengers is a local charity providing inclusive, fun and safe places where all disabled children and young people can spend time with their friends. Aside from being fun, play is essential for a child’s cognitive, physical, social and mental

wellbeing and development. Through play, children learn to build confidence, self-esteem, creativity and how to interact with others. Sadly too many disabled young people miss out on play every day. There are many barriers stopping disabled children from playing – from physical impairments and a lack of accessible play facilities, to time, money and support.

That’s where Challengers comes in ... it removes these barriers by providing truly inclusive play and leisure that everyone can enjoy and join in with, no matter how complex their needs are. Challengers now helps more than 1000 disabled children and young people to play and have fun every year.

£10 could provide a worker with an introduction to Sing Language lesson.

£30 could buy enough puzzles to keep one of its schemes quizzical for a whole year!

£50 could pay for a therapeutic cushion, perfect for the sensory room..

Please support Challengers by using the card machine, the wallbox or making a bank transfer.
