## **This Week's Notices**

### **Flowers In Memory**

The flowers on the shrines have been sponsored this week by Ann Cowan in memory of her mother. If you would like to sponsor the flowers on a particular Sunday in memory of a loved one, please sign up on the list in the narthex. Donations can be made by cash, cheque or card reader.

### **Summer Fayre**

Thank you to everyone who supported the Fayre yesterday, either by helping, donating or spending. These events are so important both financially and to help open up to our community. We will update you next week on the total raised.

### **Gifts for Year 2 School Leavers**

The children so loved the St Nicolas keyrings that we gave them last year that we have decided to give this year's leavers the same gift. If you would like to 'buy a keyring' for one of our children leaving St Nicolas' this summer, they cost £5. Please see Fr Neil or Patrick.

### **Hymns & Pimms – Sunday 23<sup>rd</sup> July @ 5.30pm**

What is your favourite hymn? We are looking for your suggestions that we can all enjoy singing together whilst enjoying a glass of Pimms or fruit punch. Please email [parishoffice@saintnics.com](mailto:parishoffice@saintnics.com) with your favourite hymn and what it means to you (or pop a note in an envelope and hand to Fr Neil). Perhaps you also have a favourite piece that could be played for us all to enjoy. We will be taking a collection for The Living Organ Project

### **Holiday Club**

You will see the notice for Holiday Club and Nicky asks if there is anybody who would be willing to help. There are many ways you can do this – and it doesn't have to be everyday. You will need a DBS check carried out, so please let us know as soon as possible if we need to apply for you.

Could you come to help prepare and serve the refreshments? (squash and biscuits for the children, strong coffee for the adults!)

Could you help at our craft prep session on Saturday 22<sup>nd</sup> July? (cutting out etc)

Could you help with a group of children one or two mornings?

Could you make cakes for the children as their snack?

If you can help in any way, please speak to Nicky or Cath or email [missionenabler@saintnics.com](mailto:missionenabler@saintnics.com)

Thank you – it really is good fun!

## Fire Safety

It is important to remind ourselves from time to time of what to do in the case of an emergency, such as a fire.

In the event of a fire being discovered, the priest, a churchwarden or sidesperson would blow a whistle, or make a clear verbal announcement, and then be responsible for calling the emergency services.

The congregation would leave through the nearest fire exit (north porch, the hall via the sacristy, narthex) and make their way to the car park opposite the church (next to the Town Bridge). We would expect people to assist those less mobile. Junior Church leaders would be responsible for exiting with the children, meeting parents in the car park.

The priest, churchwardens or sidespeople would also be aware of anyone not in church, for example in the Parish Centre.

## Salvation Army Foodbank

With rising costs, people need foodbanks even more and people are making fewer donations. The Salvation Army Foodbank is now very low on food. If you are able to support - please select items from the following list and put in the box near the font.

## Our Good Cause for July is USPG

We have supported USPG for many years, including part of the monies raised by our Monthly Lunches. USPG is the mission agency of the Anglican Church. In partnership with local churches across the world, much of its work addresses the major injustices of the world today associated with gender, climate, migration, the

human rights of indigenous people and inter-religious living. Read more about their many projects around the world work on their website <https://www.uspg.org.uk/>

Donations can be made in the wallbox in the narthex or ask to use the card reader.

## The Living Organ Project

As you will no doubt be aware, the PCC have endorsed a vision to rescue our Fr Willis organ. Over the years a great deal of money has been spent on the instrument and we are now at a stage in its life where we have to make a decision as to its survival. We have two options.

We can either replace the current organ with an electronic instrument or we can restore the current instrument.

After careful consideration, the PCC have suggested we opt for Plan 2. The understanding is that no money for this will be provided by the PCC funds nor the Dorothy Grover Trust. This is important. The organ not only enriches our worship but it is, chiefly, as is the building, of wider public benefit. To that end, the PCC on my recommendation has established the *Living Organ Project* group and under their convenor, Phil (our new Deputy Warden), we have:

- (i) **commissioned a report** to discover the extent of the work required for restoration. It was written by an internationally renowned Organ expert, the former Rector Chori of Southwell. If you are interested in reading this report, please do speak with Rick, our DoM.;
- (ii) begun to have **costings** the work of this restoration;
- (iii) begun to determine **how we might raise the money** for this restoration.

I am indebted to Phil (Deputy Warden) for his work as Convenor of this group.

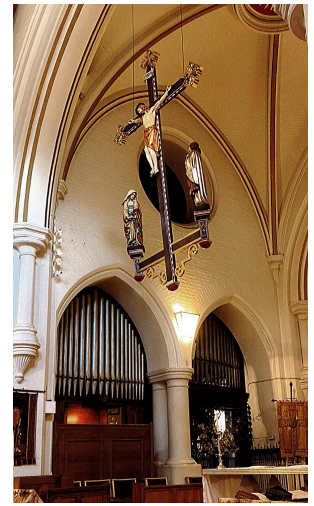

So what?

### **The Rector now needs your thoughts.**

I would like you to write and let me know whether you think we are on the right tracks. Do you think we (the PCC and I) are right to work via the group to restore the organ? If you do, then I need your ideas **HOW** we are to do this.

Do remember, that this is not a fund raising exercise for the parish - no money from PCC nor DGT will fund this restoration. But we would all need to be involved and support it. So I would welcome your views, but more importantly, your vision - who might help us? How can we achieve raising what will be in the region of £250,000 - £300,000. The costing reports will confirm the exact figures, but with some degree of flexibility for a future fund, we are likely to be looking in this region. We can match fund and crowd fund, but I want to know what you think about if and how we can do this. **Responses please by this Sunday.**

*Many thanks for any of your thoughts on this. Fr Neil*
